Wall Mount Model	

Depth	6 .5"
Height	12.25"
Width	16 7/8"

Q. What is the weight?

A. The Point and Cut weighs 16 lbs.

Q. Can I use any size or brand of household-style paper towels?

A. Yes.

Q. If I unroll a length of paper towel and then decide I need more, can I unroll more?

A. Yes, as long as you have not activated the cutting mechanism.

Q. What should I do if the paper towel will not feed out?

A. Tear off one (1) sheet and try loading again with a fresh edge.

Q. If I change my mind and decide I have unrolled more paper towel than I need, can I roll it back up?

A. Yes, if the cutting mechanism was not activated. Simply open the cabinet and roll it back up, then re-insert the end of the roll into the slot.
